

The Lonely Hearts Club Band is a well-recognized and energizing Beatles cover band based out of Salt Lake City, Utah. We have been together for almost 20 years and have played all over Utah for city events and private gatherings. We've performed for city celebrations all over Utah, including Logan's Summerfest (voted the best performance), the Utah State Fair, and city events in Kaysville, Brigham City, Ogden, Herriman, Bountiful, West Point, and many other cities. We've joined with the choirs of USU, SLCC, and Brady Allred's acclaimed SLCA choir for Beatle events.

We have developed a sound that inspires Beatles fans and gives crowds a new appreciation for the music that changed the world. We recreate the excitement of Beatlemania as we play music from all eras of the Beatles' careers. Audiences smile, sing along, and stay as we play hit after hit.

Our band is reliable, professional, and musically solid. We have high standards for our performance and conduct and are always dedicated to venue-appropriate lyrics. As a cover band, we reproduce the music of The Beatles as faithfully as possible.

We're not a tribute band. Tribute bands dress as and imitate the Beatles. We're a cover band, accurately and dynamically playing their music.

We'd love to play for your event. We're confident that your audience will love our music and performance.
